Wine and Chocolate:
A Local and Magical Evening at Chatham Hill Winery
Can be held at the Winery or At Your Site....

Open your senses and palate to a relaxing evening sampling locally made wines with locally made chocolates. Believe it or not there are as many similarities to wine and chocolate as there are differences. Unwind with friends or work colleagues with this fun culinary program.

- A private evening of Wine Tasting & a Winery Tour with Chatham Hill's Winemaker, Marek Wojciechowski, Ph.D. Learn about North Carolina winemaking directly from the Winemaker; how and where Chatham Hill procures grapes from partner vineyards; the myriad of decisions the Winemaker must make to determine the outcome in the bottle from the time the grapes are harvested to the time the wine is ready to enjoy (up to 4 years); and ultimately, the opportunity to completely immerse yourselves in the quiet setting of the winery. This program can also come to your site with minor adjustments.
- Chocolate and Wine: A Magical Pairing. Your group or team will participate in an interactive chocolate and wine tasting. A presentation will be provided by our partner chocolatier, Paul Mosca, owner of Elemental Chocolate (<http://elemental-chocolate.com/>).
- *Thieving from the Barrel* (at winery only) - To wrap up the evening, you will be offered a sample directly from the oak barrel of one of Chatham Hill's aging wines in the winery. A rare and very special treat.

A very fun, experiential and interactive introduction to the World of Wine as well as a fun method of team building or breaking the ice. Presentation will take place in the lovely Winery Tasting Room Art Gallery or at your site. Length of program is approximately two hours, depending on number of participants.

Minimum number of guests required.

The price includes presentation; take home materials, and wine and chocolate samples. This program can exist on its own or be included as part of a larger private evening package at the winery including food and other amenities. \$60. per person – a minimum charge of \$1800 or thirty (30) people is required.
